

FINANCE AND ACCOUNTING PROFESSIONAL RESUME WRITING

"Our aim is to provide a resume that will be seen as a sound financial investment."

The finance and accounting market has changed considerably over the years and there are now hundreds of career opportunities for those who have the right style of resume and demonstrated business skills.

Additionally, finance and accounting resume writing has evolved in a way that has seen individuals being better recognized for their people and commercial savvy skills as opposed to just being focused on the numbers.

Optizm Global has remained in tune with the needs of this market and all our resume writing is designed around your career goals and aspirations as well as helping you understand what's required from today's employment market

Our resume writing services include, but are not limited to, the following roles in this vast field:

- Chartered / Banking / Financial Services / Industry & Commerce / Private & Public sector
- Finance Controllers, Chief Finance Officers, Finance Directors
- Risk Management, Credit, Treasury Analysts, Corporate Finance
- Financial Planners, Financial Assessors
- Accounting support; Financial accountants, Credit control, Bookkeeping etc
- Analysts and Finance System experts
- Finance Officers
- Statisticians
- Banking Branch Managers
- Audit and Compliance

Can't see your requirement? There are over 100 plus position types we have worked with in this arena alone, but we never forget that everyone who comes to us does so as an individual - so all our clients resume writing needs differ. Because of this, we encourage you to leverage the **POWER** of **Optizm Global** for yourself, and take your finance-oriented career to the next level!
